Dear 100+ Women Who Care, Tri-Lakes,

Thank you for your recent generous gifts to the Social Emotional Wellness (SEW) Coalition of the Tri-Lakes Area. Your willingness to help support programming and care for at risk youth and families makes all the difference.

Thanks to you, we have many new opportunities to grow and accomplish our mission to ensure that youth in the Tri-Lakes community who need mental health support will be seen and heard. Someone, somewhere will notice and know how to direct the individual to the appropriate resource(s).

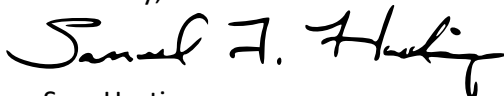

Your donations will help our workgroups launch new campaigns to assess the needs, connect resources, and address the gaps that exist in our current network of support. We will also be able to launch an independent website, which will help people in our community to find our Coalition and resources more intuitively.

As we continue to move forward with new endeavors, we will be sure to send regular updates. We also invite any members of your group to join us at a Coalition meeting to observe, participate, or learn. Meetings are held on the 2nd Monday of each month at 6:30 PM in the Distance Learning Lab at Lewis Palmer High School.

If you have any questions, please feel free to contact the SEW Coalition by email at sewcoalition@gmail.com, or visit our current website, tlumc.org/sew. There you will find ways to stay in the loop with our emails, meeting minutes, agendas, and more!

Again, thank you for all you do for our community, and for the generosity you have extended to us. Thank you for trusting us to do this difficult work.

Sincerely,

Sam Hastings
